

QUALITY POLICY

NOVA CERT is committed to provide validation, verification and/or conformity assessment of projects and mitigation activities that reduces or remove GHG, considering the following dimensions:

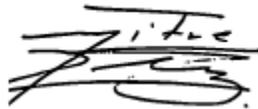

1. **Compliance with requirements:** we are committed to provide a service which consistently meet the applicable regulatory requirements. We are committed to act impartially and to detect any conflict that may compromise our judgment.
2. **Auditors' competence:** we ensure that our personnel are adequately qualified to perform the assigned tasks in a competent and efficient manner.
3. **Customer satisfaction:** we strive to understand and meet the needs of our customers by fostering an open and transparent communication. We analyze and receive customer feedback to continuously improve our performance.
4. **Continuous improvement:** we are committed to continually review and improve our management system to meet our objectives.

A handwritten signature in black ink, appearing to read "R. Mitre", with a stylized flourish underneath.

Raul G. Mitre
Executive Director
NOVA CERT, LLC

QUALITY OBJECTIVES

1. **Compliance with requirements:**
 - a. To comply with the rules established by the carbon offset programs.
 - b. To detect any conflict of interest that may compromise our judgment.
2. **Auditors' competence:** to have sufficient and competent personnel to carry out the validation and verification processes.
3. **Customer satisfaction:** To increase the customer satisfaction through the timely delivery of high-quality services, as well as through clear and effective communication.
4. **Continuous improvement:** continuously improve the effectiveness and efficiency of our quality management system.

Raul G. Mitre
Executive Director
NOVA CERT, LLC
